Dear Dr. Lederberg:

I have your letter of March 27 with reference to arrangements for the second Summer Session at Berkeley. Under the circumstances, I see no reason why it should not be possible for you to leave the campus a few days before the end of the session. I will take this up with the Dean so that we will have official approval.

With kindest regards, I am

Very sincerely yours,

A. P. Krueger, M. D.
Chairman
